I think that sport is really good for our health. In our life we always do sports. When summer comes we <sup>are</sup> swimming, playing football, volleyball etc. In winter we are skiing and if you want to play basketball or something else you should go to gym or you can find a different place for it.

In my mind doing sports outside is much better than doing sports inside. And it much better for me if I do sports in summer. When sun is shining and wind is blowing, I think that it's cool. I see a lot of people who is running inside of parks or in the streets. It seems like they are really enjoying it.

When you do sports in <sup>side of</sup> house there might be very hot or really very cold like in ski resort. I don't like it.

1 + 2 + 2 + 1 + 2 = 8
