Sport is a very important thing in our life. We can spend free time for doing sports and we can be healthy, beautiful or handsome and strong. But do you think that doing sports outside is better than doing sports inside? Which is more enjoyable? Which is cheaper? Which is effective?

I think that doing sports outside is better than doing sports inside. Because outside you can run on the streets or play football, basketball, tennis in stadium with your friends. There are a clean air, different places for exercises. Doing sports outside is more enjoyable and effective. And it's fun.

But if you prefer be alone, doing sports inside will be more enjoyable for you. You can do different exercises in your home⁽¹²⁵⁾

And it's cheaper. For example, I don't like running or doing sports outside because there are a lot of people.⁽¹⁴⁶⁾

But in conclusion, I can say that ~~never mind~~ it doesn't matter where you doing sports. You can choose it for yourself.

2 + 2 + 2 + 2 + 1 = 9/10
