Now we talk about sport. Well, sport - is most important for our life. All people in our world doing. When you doing sport you will be healthy. We now two types of sport: outside sport and inside sport. Example of outside sport: Ice-skating, sport with car, running in the outside and other. Inside sports: volleyball, football, basketball, different types of athletics, chess and other. Well, for me inside sports better, than outside I don't like doing sport in outside, because in summer very hot, in winter very cold. Sportgym is most comfortable for sports. My favourite sport is volleyball. Doing sports in our time very fashionable, very many people of our world have a hero in the social. Rich and famous people all going to the sportgym and fitness club. ⁽¹²⁶⁾ In my opinion, it's very cool, because people looking this people and forward to them. I recommend modern people doing sports, when you will be sportman you will be fashionably.
