1. I am sure, doing sports outside is better than doing sports inside. Because it is more interesting than doing sports in gym or your home. Fresh air make you more healthier and makes you happy. Nature is very beautiful and people enjoy to be in a forest, park or lake, sea.
2. Doing sports inside is cheaper than doing sports outside. Because you don't need to go too far. In gym, or your room you are more concentrate. Also, it is more comfortable than go to forest lane, ~~with~~ stones. You have more possibilities to keep fit.
3. My own idea — is if you have a moment, free time, you must doing sports outside. I mean that nature, free air, green grass, trees makes people more healthy, happy and ~~love~~ love life. Take care with your health and environmental. Because life is only one.
